## 23rd January 2020

Dear Parents

There are several families who still have not returned the annual consents and permissions which were sent home in September. It is essential that these are returned to the office as soon as possible. If you require further copies please ask for replacements.

As we start the new year, I would like to remind parents that **all** clothing and possessions should be named.

We were very pleased with the response to the first Parental Consultation that took place this week. There are still available slots for next week if you were unable to attend the first consultation. Please see the appointment schedule outside each classroom.

We are delighted with the progress of the Outdoor Learning Centre at the bottom of the playground. This is being funded by the Tesco donation of £2000 which we received following the collection of blue tokens. Thank you once again for supporting the school by collecting the tokens.

Headteacher
