

Message from Mrs Mead

Good afternoon everyone.

As you will have noticed we have had some building work going on in school over the past week. This has been to replace our fire doors and should be completed by the end of next week. It has been slightly more disruptive than I was led to believe but the children and staff have coped really well and I just want to say thank you to everyone for their flexibility and understanding. Things should be back to normal soon - Just in time for Christmas?!

In the meantime have a good weekend

Mrs Mead x

Duchy College Cross Country

Friday 24th November

Well done to our pupils who ran in the Duchy Cross Country Competition this afternoon - especially Billy who finished 11th overall!

The other Trekenner 'winners' were Finley [30th place], Ruben [24th place], Oliver [46th place] and Cory [31st place].

Thankyou too to Mrs Wonnacott and all the parents who accompanied them.

MONITORING VISIT by SCHOOL EFFECTIVENESS CORNWALL

Thursday 30th November 2023

Next Thursday we are being visited by Mr Mark Corbett and Mrs Stephanie Wright from the Local Authority to monitor how we are progressing on our improvement journey since our Ofsted inspection last year. They will be spending time with my self and the other teachers to look at our Ofsted areas for improvement and will be going into classes to observe teaching and learning and talk to the children. They will also be around the school gate at drop off and pick up to chat so if you have anything you would like to share with them don't be shy about talking to them on that day.

We are looking forward to showing off our amazing school and I will share their report and any feedback with you as soon as I can.

PUTTING OURSELVES 'OUT THERE'

I hope you have all seen our new banner on the school fence and also at Tesco in Launceston and soon Callington. Many thanks to Ian O'Conner for doing the design and designing our new curriculum logo! We have also updated the website so if you haven't already please have a look. It's still a work in progress but looking much better already!
