

### Message from Mrs Mead

Good Evening Everyone,

I just want to say a big well done to everyone for making it to the end of what has been a very long and jam-packed half term. It has been so nice to welcome some new pupils to the school and to see how well they have become part of Team Trekenner already.

I hope you all enjoy some spooky fun and have a chance to rest and recharge over the next week and I look forward to seeing you all on Monday 4<sup>th</sup> November.

Take Care

Mrs Mead x

**We even made it into the paper!**

Thank you Everyone who was able to support us in our first venture into Launceston Carnival, whether it was walking in the parade or cheering us on from the crowd.

We all had lot of fun and are already planning to be bigger and better next year. Thanks especially to Russell Williams for lending us the instruments and leading our merry band!

## SWIMMING 2024

All the children in school have now had their swimming lessons at Launceston Leisure centre this term and what an amazing time they have had. Thankyou to you all parents/carers out there who work so hard to get swimming kit ready every day. We know it is a full on week but the progress the children have made has been wonderful and we/they couldn't do it without your support, so it is much appreciated.

## LOOKING TO THE FUTURE

### Wraparound Care

As promised, there is now a survey available using this link:

<https://www.surveymonkey.com/r/Z6QPDWT>

for you to let us know your thoughts on our wraparound care offer. Please have a look over half term.

### Residential Trip - Summer 2025

So the consensus was that we should go back to Porthpean for our residential trip next term!

I have therefore booked 3 nights for our key stage 2 children to go **Timber Camping** this time and will be liaising with the team so that we can do some different activities as well as some of our favourites from last year. The trip is booked for Monday 30<sup>th</sup> June to Wednesday 2<sup>nd</sup> July and letters with costs, instalment plans etc will come out straight after half term.

OUR SENSORY GARDEN PLAN

ALL HANDS ON DECK DAY

We have been working with a local garden designer, Ella Payne to come up with some plans for our sensory garden and this is the plan so far. I'm sure you will agree that it looks fantastic! We can't wait to get started on it and get it in use by the end of the summer term. To kick start the project we are hoping to have an *all hands on deck* session on **Saturday the 16<sup>th</sup> November from about 10am-2pm**, where we can clear the area and start levelling the site ready to get the autumn planting done. We also thought this would be a good opportunity to have a general tidy of the school grounds and pre-school garden and also get some repairs inside school done as well. So, if you are available and have a skill [or pair of hands] we could put to use, please message me or Mrs Handcock on dojo or by email, and we will organise the day!
