

Letter from Mrs Mead

Hello everyone, we have already made it to half way through this half term! You most likely are now aware that the road past the Springer Spaniel pub has now reopened and thank you for reinstating the voluntary one way system to avoid congestion during the school run. Thank you all also for your patience whilst this has been closed.

There continues to be various weather warnings so please make sure all the children have appropriate clothing (coats, hats, gloves) to stay warm whilst we're outside. We are continuing to use the field whilst the playground is partially closed so please can you also ensure your child has wellies in school as it can get muddy.

I hope you all have a lovely weekend.

Take care,

Mrs Mead x
